PROFILE
"A MINT OF CREATIVITY"

Hey, myself Ritik Dhiman and I am a Front-end developer. I have Html, css, bootstrap and javascript in my tech arsenal. Additionally, I am always eager to learn new tech skills and hone my knowledge at present I am learning React.js. Apart from this, I am also a proficient graphic designer which is my side skilll. I am a detailed & accuracy-oriented professional offering a pro-active approach and a strong determination to meet and exceed all your expectations for the role. Therefore, it would be my honor to join your team and kickstart my career.
